

# DASH EVENT PROGRAMME

## September 2019

**The Chairman's Blog:** The time for the group's AGM is nearly here so this is advance notice that if there is anything you think we need to talk about at the meeting then let Ally or myself know so that we can write it into the agenda.

This year's AGM will be on Tuesday 12<sup>th</sup> November at The Brunswick, starting at 8.30pm prompt.

There are a few things that we will need to discuss at the AGM concerning changes that we are proposing on how the group will be run in the future. I will send out a separate e-mail to everyone in the next few weeks which will explain these in a bit more detail so members have got the details prior to the AGM.

## The Small Print:

The group carries third party insurance; however, this does not cover losses or personnel injury, ***therefore all participants undertake all group activities at their own risk.***

You are advised to wear walking boots (or similar) on all walks plus remember the wet weather gear.

You will also require a pack lunch for all day walks (unless noted otherwise in walk details). There is however normally a pub or tea stop.

Well behaved dogs are always welcome on our walks. On the few occasions where the walk goes through private land where dogs are not allowed then this will be highlighted in the walk description.

All meals out are generally booked in advance, therefore please let the organiser know beforehand if you would like to come along.

Advertised walks/outdoor events maybe cancelled in the event of very bad weather at the discretion of the organiser. All cancelations up to the night before will be noted on the DASH website and where possible e-mails will be sent out to all members. In the event of bad weather on the day of the event – if in doubt contact the organiser before you set out.
